To Whom It May Concern,

My name is Cindy Hedrick; I am 36 years old and live independently in my own apartment in Abbotsford with staff support.

I recently heard about your efforts to build a fully accessible lodge on your ranch for individuals and their families and wanted to personally commend your efforts. I love to go camping and experience the outdoors but constantly face obstacles because I have cerebral palsy and am confined to a wheelchair.

Your vision to create a fully accessible lodge including accessible trails and activities where someone in a wheelchair can actually participate in will be a dream come true! Not too mention that I can stay at the lodge with my support staff and/or my family or both and not have to worry about transporting equipment around or whether the lodge is truly accessible.

WHAT A GREAT IDEA, THIS IS WAY TOO COOL I CAN HARDLY WAIT UNTIL IT IS COMPLETE.

Please keep me posted on your progress.

Sincerely,

Cindy Hedrick.
